

Warranty Procedure

In order to exercise this Limited Warranty, the Purchaser must: (1) return the defective product to the place of purchase; (2) supply the dated purchase receipt; and (3) provide a completed Warranty Claim Tag including a clear description of the problem. At that point, the dealer will apply for a Return Goods Authorization ('RGA') number from Stromberg.

If the warranty claim is approved by Stromberg, an RGA number will be issued to the dealer, and the product will be exchanged at the point of purchase. Warranty claims will be rejected if the Purchaser cannot establish the date of purchase.

Do not send products directly to Stromberg. Stromberg assumes no responsibility for products sent directly to Stromberg.

Note: NO RETURNS WILL BE ACCEPTED WITHOUT AN RGA NUMBER.
